- 5 次の英文は、中学生の直紀 (Naoki) 君について書かれたものです。後の1～5の問いに答えなさい。

Naoki started to play soccer when he was eight. He liked soccer and he became a member of the soccer team in his city. He wanted to play it well. His father was good at soccer, so Naoki wanted to practice with his father. When he was nine, he often said to his father, "Today is Sunday. Please practice soccer with me in the park." But his father said, "I'm sorry, Naoki. I want to do that, but I can't play soccer with you. I'm going to work today." Naoki's father was a doctor. He often worked on Sundays. Naoki thought, "I don't like my father's job."

One Sunday afternoon, Naoki went to the park alone. There were many children in the park. Naoki saw his friend, Kazuo. Kazuo was playing soccer with his uncle. His uncle was a teacher at a junior high school and could play soccer well. Kazuo said, "Why don't you play soccer with us?" They played soccer for about an hour. Kazuo's uncle said to Naoki, "Let's play soccer together again, Naoki." Naoki was happy. They sometimes played it in the park.

When Naoki was twelve, he visited his father's hospital with his teacher and classmates \*on a field trip. It is the biggest hospital in the city. Naoki's father \*told the students about his job. He said, "I'm one of the doctors in this hospital. The doctors, \*nurses and many other people here work hard for sick people. We want to save many sick people." Naoki thought, "My father doesn't talk about his job at home. But now I understand his job better. He works hard for sick people. I \*complained about his job, but that was not right." Naoki's classmates said to him, "Your father is great." Naoki was glad.

Now Naoki is fifteen. Yesterday he had a soccer game. His mother and father came to the stadium for his game. That night his father said to Naoki, "You played soccer very well today. You are a good soccer player now. I didn't know that." Naoki said to his father, "I want to be a \*professional soccer player. It's one of my dreams." Naoki's father said, "I had the \*same dream when I was young, but I could not do it." Naoki said, "You didn't become a professional soccer player, but you became a doctor. Your job is great. I want to help people like you. That's my other dream." Naoki's father looked happy.
